

ISO/TC 184/SC 4 "Industrial data"
Secretariat: ANSI
Committee manager: Tripp Dana Ms

ISO-TC 184-TF 2_N68_TC 184 - New code for hotel reservations

Document type	Related content	Document date	Expected action
Meeting / Practical information	Meeting: Saint-Denis (France) 11 Jun 2023	2023-05-01	INFO

Description

Convenors are requested to make the following information available to delegates planning to attend the Super meeting of ISO/TC 184. The Committee Manager of TC 184 has been informed that the hotel reservation credentials were not working and have revised the login so that delegates can use the HCORPO platform to find sleeping rooms in the vicinity of the venue.

When using the <https://www.hcorpo.com> platform, the following login is required.

Login: afnor/visiteurs

Password: Hotel2023*

The meeting registration site for fees continues to be developed and will be communicated at a later date.

Please share this information with your stakeholders.

Best regards,

Kenneth Swope

Convenor of ISO/TC 184/TF 2

Description

The following notice was distributed by TC 184 to its membership. Members are invited to distribute broadly.

ISO Documents

[ISO/TC 184 "Automation systems and integration"](#)

Dear members,

We have been informed that the code that was sent to book a hotel room is no longer working. A new document will be sent shortly with updated information, in the meantime please note that the right code is **Hotel2023***.

Best regards,

Mélissa De Medeiros

Committee manager of ISO/TC 184
